DNR Permit provided: Yes _____ No _____

Erosion Plans approved: Yes _____ No _____

The City of Pleasant Hill has reviewed the erosion control plans for the construction of the above mentioned project. Other measures of erosion control may be necessary throughout the project.

The grading permit will be approved and signed upon the City receiving a copy of your approved DNR land disturbance permit.

The City will inspect erosion control for the project. Any issues not resolved in a timely manner regarding erosion/siltation may result in a \$100 fine per day per occurrence until the matter is resolved.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction of the performance of construction.

Questions may be directed to City Hall at 816-540-3135, or Public Works Office at 540-9130.
