## PHPR Disc Golf Course Rules and Regulations

- 1) Be earth conscious - Don't Litter!
- 2) Disc golf is played like ball golf, using flying discs. One stroke is counted each time the disc is thrown, and when a penalty is incurred. The winner is the golfer with the lowest score.
- 3) Tee throws must be completed within the designated tee areas.
- 4) After teeing off, the player whose disc is farthest from the hole always throws first. The player with the fewest strokes on the previous hole is first to tee off.
- 5) Fairway throws must be made with the foot closest to the hole on the spot where the last throw came to rest. The other foot may be no closer to the hole than the foot on this lie.
- 6) A run-up and normal follow-through, after the release, are allowed more than 10 meters from the hole. Inside 10 meters, a player may not step past his / her lie. Falling or jumping putts are not allowed inside 10 meters.
- 7) A disc that comes to rest inside the Disc Pole Hole basket or chains constitutes successful completion of that hole. A disc that comes to rest on top of the pole does **not** constitute a successful putt.
- 8) A disc that comes to rest more than two meters above the ground is considered unplayable. The disc must be thrown from the ground directly below the disc. One stroke penalty.
- 9) A throw that lands out-of-bounds must be played from the point where the disc went out-of-bounds. One stroke penalty is incurred. Water, roads, pavilions, and walkways are normal disc golf out-of-bounds hazards.
- 10) Never throw until the players ahead of you are out of range, and until the fairway is completely clear of spectators and park guests.
- 11) Enjoy the game of disc golf! It's fun! It's fast! It's the sport of the future!

## **PHPR Duck Hunting Policy and Procedure**

### **I. Purpose**

It is the intention of PHPR to simplify the procedure for obtaining a duck blind at the City Lake in a fair manor.

### **II. Procedure:**

- A. The drawing will be held the Fourth Friday in July at 5pm in the City Hall Council Chambers. Those wanting a blind must be present to win.
- B. The drawing is open to those individuals who live within the city limits of Pleasant Hill. If there are not five individuals meeting this requirement, the remainder of the blinds will be opened for raffle to anyone with a Pleasant Hill address. If there are still blinds open after that, the blinds will be opened up to everyone else.
- C. The cost for a blind is \$50. A \$100 fine will be collected if the blind has not been taken down by April 1<sup>st</sup>.
- D. The first person drawn will get first selection of blind location.
- E. Upon selection of location, the person will be given a card with six name spots. This card is to be filled out with the individual names of those who are hunting out of the blind. This card should be posted on the sign marking each blind area. The recipient of the blind is allowed to have an additional guest in the blind if the guest pays a \$1 fee at City Hall.
- F. Each spot will have a posted sign marking the area for each blind. The blind must be within 300 feet of this sign.
- G. Any boat being used on the lake must obtain a boat sticker. A motor sticker must be purchased if the boat is so equipped.
