NOVEMBER 30, 2022

## PLEASANT HILL SNOW ROUTES

With winter weather inevitably approaching, the Public Works Department needs your help to ensure streets are cleaned as soon and as efficiently as possible.

If possible, we ask that residents avoid parking on streets before or during a snow event. If it is unavoidable, we ask:

**BEFORE OR DURING STORM:** park vehicles on the evenly addressed side of the streets (where allowed)

**AFTER STORM:** please move all cars to the odd addressed side of the street to allow plows to clear the entire street.

The Public Works Department takes pride in avoiding damage to private property.

Unfortunately, there are times when it does happen, and mailboxes get damaged. Please make sure you are following the United States Postal Service's installation requirement and guidelines. Unless there is obvious negligence on behalf of the department's employees, we won't be able to replace your mailbox. USPS guidelines can be found here: [usps.com/manage/mailboxes.htm](https://usps.com/manage/mailboxes.htm)

## NEW LIBRARY COMING THIS SUMMER!

Renovations are underway for a new library in Pleasant Hill, located at 101 S. Hwy 7. The Pleasant Hill Branch is operated by the Cass County Public Library (CCPL). The CCPL was able to purchase the property and complete renovations after the successful passage of Proposition L in 2020. A June 2023 opening date is expected.

Dan Brower, Library Director, commented, "This new Pleasant Hill location will add meeting rooms and dedicated spaces for all ages. We will provide a library that Pleasant Hill residents and the surrounding community will be proud of. This location gives us the ability to customize the property to the library's expanding needs in the future."

Public libraries are a vital part of our communities and the City of Pleasant Hill is excited to see this project underway.
